A GRAMMAR OF THE ITALIAN LANGUAGE,

**EV LUGS MANT,

Instructor in Italian in Harvard University.

This Grammar is pronounced by the most competent judges
to be a great improvement on any of the Italian Gramma's
herete fre published. The one which is now chiefly used in
this country teaches only the speken isnguage, the anguage of
conversation, which in Italian differs greatly from the language of
from it. Bachi's Italian Gammar, the best that has hitherto
appeared is out of print. But even that was too diffuse, too
scientific and too exclusively classical for the student. The
Grammar of Signor Monti is much shorter and simpler, and its
examples ere not taken sitogether from a few old writers but
also from the great modern authors of Italy, whose works more
fully represent the present state of the Italian language and the
present mode of thought and expression.

A NEW UTALIAN READER. also from the present state of fully represent the present and expression.

A NEW ITALIAN READER,

FREE BY SIS, MONTI,

FREE PRINCE BY SIS, MO

Will be published early in September, containing copions selections from the most eminent recent Italian authors, whose works, although universally read in Italy, are scarcely known in the United States. Among these are selections from GIORERTI, GUERAZZI, PELLICO, MAZZINI, AZEGLIO.

THE OLD FARM HOUSE.—

By Mes. CARCLINE H. BUCLER LAING.

This work is increasing immensely in public favor. Read what the Frees say of it:

"The book throughout, in its well-chosen mottoes and even ly-belanced style, indicates a mind familiar with higher litera ture, and it cannot fall to please."

Bulletin.

"Its tendencies are of the purest and noblest character."

"This is a well-written and skillfully-managed story. P.
thos and excellence of description are not wanting, and altegether, "The Old Farm House' is a superior novel."

[Dispatch,
"It abounds with excellent sentiments, and the moral is set
to disarm prejudice against fiction of one of its most formula
ble weapors."

[Dollar Newspaper,
"Many of the descriptions are given with rare beauty and it
terest."

[Carris lan Chronicle.
Those are but few of the many flattering notices received.
Is is beautifully illustrated and beaud in extra muchin gill
